THE PRESIDENT'S TEAM is a proven goal-setting and learning process for helping you achieve significant personal and financial benefits:

- The Business Review identifies critical personal and company goals.
- In-depth Assessment quickly identifies development needs.
- CEO Learning objectives are directly linked to business plans.
- World-class experts add insight and business perspective.
- Business Owner peer group supports business problem solving.
- Executive Coaching focuses development and removes barriers.
- Life at the top is supported by a collegial peer network.

No one knows your business today better than you - but tomorrow and the future are filled with uncertainties. With THE PRESIDENT'S TEAM you have additional resources to help take your business to the next level - to help you better understand the challenges that lie ahead and how you can effectively deal with them - Starting today!

### The Investment – Time

Do you have 12 business days annually to invest in growing your business? Your time is a precious resource, but the time you spend working with others in THE PRESIDENT'S TEAM program is guaranteed to yield significant returns both personally and financially.

With THE PRESIDENT'S TEAM, the time you spend working together with other successful leaders and resource experts helps you develop and implement plans that will overcome barriers to success and grow your business.

Members must be able to commit to attending monthly 1 day CEO FORUM meetings with their peers, as well as arranging their work schedules to include one - 2 hour coaching session between the monthly meetings. This is a major investment of your time, but the returns will be well worth it!

### The Investment - Return

We guarantee ROI and help accelerate your success. Your investment in THE PRESIDENT'S TEAM program will help you to:

- Identify and implement personal & business growth strategies.
- Significantly enhance business value and equity.
- Achieve greater personal satisfaction.
